LUXURY NORTH NORFOLK COASTAL HOLIDAY COTTAGE

18th July 2020

HEALTH + SAFETY PRECAUTIONS

In the wake of Covid19 and to provide as safe an environment as possible here at Church Cottage, I have made a few changes to the operating procedures.

Housekeeper Teresa will take more time to thoroughly prepare and cleanse the cottage prior to your arrival - this will mean guests can access from 4pm.

All laundry - bedlinen, towels, mattress + pillow protectors, bath mats + tea towels, is now washed using antibacterial washing liquid.

I am asking guests to please help maintain hygiene safety both for yourselves, any potential house maintenance workers and all other guests by assisting with the following:

- Hand sanitiser in wall dispenser by front door - please use prior to opening the key safe and every time coming into the cottage.
- To reduce handling please strip your bedlinen and towels and place in separate zip bags provided in the upstairs corridor basket.
- Please clean and wipe down both loos, hand wash basins and bath - cleaning spray, sanitiser and cloths are provided.
- When you leave - please use supplied spray sanitiser to wipe over the key safe, keys, all door handles, white goods doors and their handles, stair gates, stair hand rails, TV remotes and the lids on kitchen bins + wheelie bins outside – and anywhere else you think should be done !

I apologise for these chores but if we all work together you can rest and enjoy your holiday with the reassurance that you are in a 'safe' place.

Thank You
